

Finance Associate – Copenhagen

We are looking for an ambitious Associate with experience in accounting who has a flair for and interest in IT systems to join our finance team in Copenhagen. The current team consists of four professionals, and due to an increase in the number of funds managed and the growing complexity of the administration, we are seeking an additional team member.

As a Finance Associate, you will work in an international and inclusive environment. This role offers the opportunity to become part of a successful team of highly motivated, competent, and supportive colleagues. You will take on a challenging and rewarding position with a high degree of responsibility, broad exposure, and insight into many aspects of the business.

Job description

- Assist with daily bookkeeping of corporate entities and investment vehicles
- Calculation of rebates using existing Python scripts
- Maintenance and improvements of Python scripts
- Take part in the month end reconciliation
- Other periodic and ad hoc controlling tasks

Qualifications

- An Academy Profession Degree in Accounting, Financial Management, Financial Controlling or similar.
- A curious, analytical mindset and the willingness to take on responsibility.
- Fluent in English and the ability to collaborate effectively with cross-functional teams.
- Advanced proficiency in Excel and curious about working with Python. Work experience with Python is a plus.
- Work experience within asset management is an advantage but not a requirement.

Regardless of your professional or educational background, we will provide thorough onboarding and training to familiarize you with our methods.

This role requires onsite presence in Copenhagen.
